Our Staff

Margaret Fitzpatrick,PT, DPT, OCS, Cert. MDT, Vestibular Cert, Presidentmargaret@willowgrovephysicaltherapy.com

Margaret is a 1990 Temple University graduate (summa cum laude). She received her doctorate in physical therapy in 1994 from Temple University. She began her career in a dynamic rehabilitation hospital and subsequently had the opportunity to work around the world as a physical therapist.

Margaret developed her clinical expertise in orthopedics while managing several outpatient rehabilitation clinics. The American Board of Orthopedic Physical Therapy awarded her with a Board Certification in Orthopedics in 1998 for her extensive experience in orthopedics and successful management of a large outpatient rehabilitation clinic.

In 1999 Margaret became certified in vestibular rehabilitation for the treatment of dizziness and imbalance and has successfully treated many patients with these conditions. She founded a vestibular support group in the Bucks-Montgomery County area and frequently gives presentations at national and international conferences.

After completing a four-part series of post-graduate courses and passing a written and practical Credentialing Examination, Margaret became certified in the McKenzie Method of Mechanical Diagnosis and Therapy (MDT) in 2018.

As a competitive runner and tri-athlete, Margaret also enjoys working in sports rehabilitation and fitness program development. She has applied this experience and passion for her work to Willow Grove Physical Therapy.
